SUMMER TENNIS CAMPS

This program is coordinated by Randy Hancock, Jonathan Lockeretz & Rick Rasmussen.

We have a genuine desire to improve your child's tennis ability in the fun atmosphere of summer camps.

The number one priority of our summer camp is to have fun. Yes, campers learn all the basics and perhaps a bit more for those who are ready.

We place kids into groups of similar ability and needs. Yes, age plays a role, but current level of play is what we are mainly looking for.

Our schedule is basically set by summer time temperatures. As the temperature rises, younger children lose focus.

A typical morning for campers and mini-campers consists of warm-up, mechanics work, drills using the practiced mechanics. As the temperature rises and attention spans fly away, we shift to games and competitive scenarios based on ability.

Critter class is focused on successful contact. Little ones love to see the ball fly off their racquet. We have balls on tethers, specialty balls, and tiny racquets that fit little hands and bodies. We want them to love this sport. Let us get your little one started in this lifetime sport.

Rainouts: We are only set up for tennis and outdoor activities. A few times every summer we need to cancel a day, or stop a day short due to rain. The head pro checks the weather every morning and flips a coin just like the professional forecasters. If the weather is questionable or could be turning questionable, call Harrison tennis Center at (770) 591-3151. Rainouts can be made up any other day of any other camp of the summer. JUST GIVE US 3 DAYS' NOTICE. All make-ups must be completed by last camp date. Refunds will not be given.

What to bring: Water and ice will be provided daily, so please have your child bring a water bottle and a hat.

In order that the department assures compliance with ADA (Americans with Disabilities Act), please make the staff who work with the program/facilities aware of any specific physical or service accessibility need, so that we can reasonably accommodate your request.
